

HARISELVAM K

Aspiring Software Developer

hariselvamaiml@gmail.com — +91 86818 31232

Chennai, Tamil Nadu, India

LinkedIn LeetCode

Aspiring Software Developer with strong fundamentals in Core Java, Object-Oriented Programming (OOP), and problem solving, seeking to build a career in backend and scalable application development. Hands-on exposure to web application development using HTML, CSS, JavaScript, and SQL, applying Java concepts to write structured and maintainable code. Actively strengthening debugging skills, logical thinking, and Data Structures and Algorithms through consistent LeetCode practice.

Education

Panimalar Engineering College, Chennai

B.Tech – Artificial Intelligence and Machine Learning (2023--2027)

CGPA: 87.9%

M.A.K Matric Higher Secondary School, Chennai

HSC: 89% (2022--2023)

SSLC (2020--2021)

Technical Experience

- Strong understanding of Core Java concepts including OOP, control structures, exception handling, and basic multithreading, with focus on modular and reusable code.
- Implemented Java programs using Collections Framework and fundamental Data Structures to improve problem solving and code optimization.
- Developed responsive web interfaces using HTML, CSS, and JavaScript with clean UI design and client-side logic.

Projects

- **Neuro Roads** (Conceptual Project): Designed and presented a conceptual neuro-signal-based vehicle control solution for physically challenged individuals, focusing on system design and solution architecture; presented at the 7th International Conference (PECTEAM 2K24).

Skills Summary

Technical Skills

- Programming: Java (Core Java, OOP, Collections), Python
- Database: MySQL / SQL
- Web Technologies: HTML, CSS, JavaScript
- Tools: Eclipse, VS Code, Anaconda
- Platforms: LeetCode, NPTEL

Soft Skills

- Communication
- Teamwork
- Critical Thinking
- Problem Solving
- Time Management

Certifications

- Reinforcement Learning – NPTEL (IIT Madras) Jul 2025 -- Oct 2025
- Oracle Cloud Infrastructure 2024 – AI Foundations Associate Sep 2024
- Oracle Cloud Infrastructure 2024 – Foundations Associate Sep 2024
- Oracle Cloud Infrastructure 2024 – Generative AI Certified Professional Jul 2024
- Acquiring Data – NASSCOM (FutureSkills Prime, MeitY – Govt. of India) Jun 2024

Internships

- **Web Application Development Intern**, Test Yantra Software Solutions (India) Pvt. Ltd. Feb 2025 -- Apr 2025
Developed responsive web interfaces using HTML, CSS, and JavaScript; supported React JS and Firebase-based authentication and deployment workflows.
- **Machine Learning Intern**, Retech Solutions Pvt. Ltd. Jun 2024 -- Jul 2024
Built machine learning models using Python and implemented a Weather Based Smart Home Prediction project focusing on data preprocessing and model evaluation.

Additional Information

- Participated in a professional Communication Skills Workshop conducted at Panimalar Engineering College.
- Actively strengthening Core Java fundamentals, Data Structures, backend development basics, API concepts, and problem solving skills with interest in scalable application development.
